LIVING LIFE IN THE LIGHT OF ETERNITY

1. Circle 3 of these things are most important to you. Discuss why.
Clothing Fashion Food Drinks Home style
Architecture Design Technology Entertainment
Travelling Job Security Time with friends Reading
Learning Hair/Makeup Money Parents
2. Looking at the three things you circled, how important are those things to God? What does it mean to follow God wholeheartedly? Does it mean giving up those things?
3. If we live with eternity as our focus why hasn't God called us home already?

Read Luke 12:13-21

4. When you get to heaven, what do you think God would say your storehouse was full of? What should our storehouses be full of? How do we make that happen?
5. In your life, are you withholding things from God?

Read Matthew 6:33

6. What does it mean to seek the Kingdom of God first?
7. In today's society, why is it so difficult to seek God's Kingdom?
8. When we look again at the 3 things you circled at the top, can those things be used for God's Kingdom? Can you glorify God with those things? Or not?

Finally...

Today could be the day that Jesus returns.

Is that phrase joyful or fearful to you. How come?

What would it take to make that phrase joyful to you?
