FAITH IN COMMUNITY TRANSFORMS SOCIETY

MATTHEW 5:14-16

"You are the light of the world. A city set on a hill cannot be hidden. Nor do people light a lamp and put it under a basket, but on a stand, and it gives light to all in the house. In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven.

13 "You are the salt of the earth, but if salt has lost its taste, how shall its saltiness be restored? It is no longer good for anything except to be thrown out and trampled under people's feet. 14 "You are the light of the world. A city set on a hill cannot be hidden. 15 Nor do people light a lamp and put it under a basket, but on a stand, and it gives light to all in the house. 16 In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven.

Good works — it's not what we usually think, moral living...

The Greek words for "good deeds" usually mean not moral behavior in general but deeds of compassion and service

Early Christian bishops in the Roman Empire were so well-known for identifying with the poor and weak that eventually, though part of a minority religion, they were seen as having the right to speak for the local community as a whole. The early church was known to be more committed to and effective in help for the poor than was the Roman government or other cultural institutions. Unless that is true for us today as well, we should not expect cultural impact. **If the church does not identify with the marginalised, it will itself be marginalised.**

for at one time you were darkness, but now you are light in the Lord. **Walk as children of light** (for the fruit of light is found in all that is good and right and true), and try to discern what is pleasing to the Lord.

Jesus is saying that Christians can influence and keep society from deteriorating, socially and culturally.

We not only affect the world as a counter-cultural community ("light") but also as dispersed individuals who take the Christian message and worldview into every circle and sector of society.
